**P = Present**

Based on information from our suppliers, the listed allergen is present in the product as an ingredient, food additive or processing aid.

**T = Trace**

Based on information from our suppliers, the listed allergen is stored at, or used to manufacture other items at the site where the product (or one of its ingredients) is produced.

**Dash**

Indicates that the supplier has reported no presence or traces of the listed allergen.

Please be aware that there is always a risk that traces of allergens may be transferred to a product during processing, storage or preparation at store level.

For these reasons we cannot guarantee that any product sold is free from traces of listed allergens
